

# 2019 FILM EXPO

High Tech Film Expo

| Date | November 13(Wed) ▶ 15(Fri), 2019

| Venue | Suwon Convention Center, Korea

[ Concurrent Events ]

Plasma Surface Treatment & UV Coating

Printed Electronics Technology

# General Information

## Title

**2019 FILM EXPO**  
High Tech Film Expo

## Concurrent Events

- Plasma Surface Treatment & UV Coating Room
- Printed Electronics Technology Room

## Date

November 13(Wed) - 15(Fri), 2019

## Venue

Suwon Convention Center, Republic of Korea

## Organizer

# Exhibit Profile

## I High Functional Film Tech Fair I

<p><b>High-Performance Film</b></p>	<p>Optical Film / Transparent Film / Battery Film/ Semiconductor Film / Bio-Degradable Plastic Film/ Lithium-Ion Battery /Separator / Sunlight • Fuel-Sensitized Solar Cell Film / Insulating Film for Process / Touch Panel • IOT Film /Tempered Glass Film / Variant Protection Film / Window Film / Security Film / Metal Mesh Insulation Film / Other Functional Films</p>
<p><b>Adhesive Tape</b></p>	<p>Glue Tape / Electro-Conducting Adhesive Tape / Electromagnetic Wave Protection Adhesive Tape / Special Adhesive Tape • Sheet / Adhesive Film / Medical Adhesive / Surface Protection Adhesive Tape • Sheet/ Building Adhesive Tape / Functional Adhesive Tapes and Others</p>
<p><b>Processing Equipment</b></p>	<p>Winder / Rewinder / Film Forming Technology / Cutting Machine / Coating Equipment / Laminator / Drawing Machine / Mixer / Extruder / Dispenser / Curing System / Surface Treatment Equipment(plasma) / Dispenser / UV Light Curing System / Roll to Roll Equipment / VOC Purification Equipment / Drying Equipment / Coating Equipment and Others</p>
<p><b>Functional Material</b></p>	<p>Raw Material • Additive • Surface Treatment / Lamination • Coating Material / Adhesion Material • Other Functional Materials/ Supply and Discharge Equipment /Transfer Pump • Manufacturing Equipment / Storage • Raw Material Processing and Others</p>
<p><b>Film Inspection &amp; Measurement &amp; Analysis</b></p>	<p>Microdefect tester / Reflex Tester / Other Related Equipment system / Air Bubble Tester / Thermal Contraction Measuring Equipment / Thickness, Hardness Measuring System / Coating Inspection Equipment / Optical Measurement System / Adhesion Strength Test • Measurement • Assessment and Others</p>
<p><b>Processing &amp; Supply &amp; Transportation</b></p>	<p>Supply and Discharge Equipment / Storage / Manufacturing Equipment / Other Related Raw Material Processing/ Test • Inspection • Measurement Equipment and Othersession Strength Test • Measurement • Assessment and Others</p>

# Application Guidelines

## ○ The deadline for application

October 25, 2019 (first-come, first-served basis)

## ○ Application procedure

Please submit it to us by E-mail(ft@miceforum.co.kr) of FAX(+82-31-388-6310) after fill out the application.

## ○ Participation fees

Booth type	Early-bird registration (June 28, 2019)	General registration (October 25, 2019)
Standard booth	\$2,300	\$2,700
Customized booth	\$2,000	\$2,400
Special booth	\$3,200	\$3,600

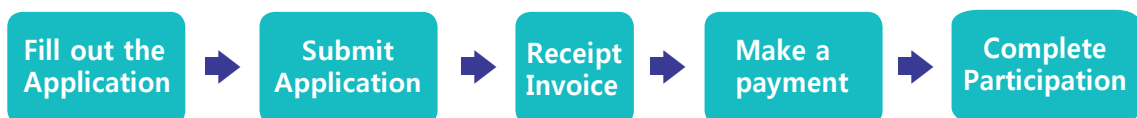

\* Participant can apply special booth when more than two booths

## ○ Payment

Type	Price	Dead line
Deposit	50% of total booth price	Within 7days after Application
Balance	50% of total booth price	Within 30days after Application

※ A remittance account  
 Bank Name : Shinhan Bank  
 Account No. : 110-338-929098  
 Beneficiary : MICE forum  
 SWIFT CODE : SHBKKRSE  
 Bank Address : 120 Taepyongro2-ga, Jung-gu, Seoul, Korea
